## Océ 860016 Translucent Bond

*Specialty materials for monochrome and color CAD inkjet plotting*

<b>Product Description</b>	An uncoated, economical, 16lb translucent bond designed to work with monochrome inkjet or pen plotting equipment.																																																																														
<b>Physical Properties*</b>	Weight	16 LB																																																																													
	Caliper	2.8mil																																																																													
	Opacity	65%																																																																													
	Whiteness	108																																																																													
	Brightness	96%																																																																													
	pH	Not acid free																																																																													
Smoothness	60																																																																														
<b>Features</b>	<p>Translucent Bond with bright white surface.</p> <p>Dual purpose media for monochrome inkjet and roller ball pen plotting.</p> <p>Economical alternative to 860018 that reduces the cost of ownership yet provides the same versatility.</p>

# Océ 860016 Translucent Bond

---

<b>Storage Conditions and Shelf Life</b>	Temperature 60-85°F. (16-30°C) Relative Humidity 30-70%. Please repack opened rolls when not in use. Shelf life = 1 year when stored at proper conditions.
<b>Environment, Health &amp; Safety</b>	No Material Safety Data Sheet required. Waste is suitable for recycling.
<b>Main Applications</b>	This product is suitable for short run diazo reproduction yet has enough contrast for distribution prints.
<b>Processing Tips</b>	Outside of roll is side to be printed. Sheets - Side opposite the label is side to be printed. Print in a dust and dirt free environment (60°- 85°F, 30-70% RH) Check and clean cartridge prior to printing.

## Performance on Major CAD Inkjet Printers

<i>Printer Type</i>	<i>860016</i>
Océ 5350 CS5050/CS5070	X*
CalCompTechJet	X*
EnCad NovaJet Pro, Pro E	--
Hewlett-Packard 250C, 650C	X*
Hewlett-Packard 350C	X*
Hewlett-Packard 750C Family	X*
Hewlett-Packard 1050	U
Hewlett-Packard 2500/3500	X*
Hewlett-Packard 500/800	X*
Xerox	X*

Legend: X = Compatible -- = Not Recommended U = Untested \* = Monochrome only applications  
\* = Target Values
