PSAMPP07 - Océ Matte Photopaper with PSA

Product Description

7 mil (177 gsm) matte photorealistic paper with a bright white, fast-drying topcoat and a smooth matte finish. PSAMPP07 features a high-density photorealistic base paper that accepts higher ink loads without the ink bleed typically experienced with common coated matte papers. The specially designed topcoat on a 7 mil more economical base, provides a fast dry, water-resistant sheet that is universally compatible.
